## Points Of Interest

### *Last Meeting*

Thank You, Randy Rayer, for donating a Glastar grinder to the Guild for use at our meetings!

Thank You, Troy Welty, for the soldering demonstration. He makes it look so effortless.

Winners—Linda Zimmerman raised the bar for all of us and won the April contest with her entry of a large clown panel. Her prize was an angled glass holder. Our next contest will culminate at the October meeting. *Make whatever you want. Win a great prize.* Roberta Yaverski won the monthly door prize, a beautiful square of Spectrum amethyst baroque.

Take Silversmithing at City Arts this summer,

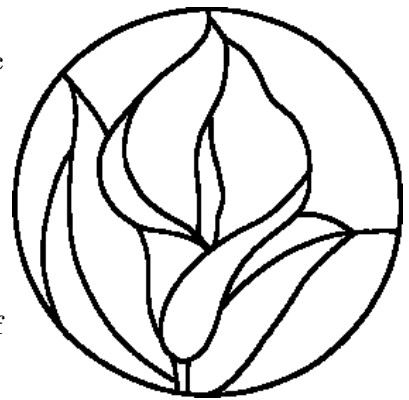

then combine what you learn with dichroic glass.

Mathews Gallery has a new shipment of glass in and the colors are rich! Glass samples are a handy tool, but nothing compared to seeing a full sheet of art glass in all of its glowing glory. Open Monday—Saturday from 10 a.m. to 6 p.m., Mathews Gallery is located at 4902 E Central.

### *Exhibits*

**“You Bet Your Sweet Glass”**, May 6th—27th, City Arts. An exhibit of regional glass art.

**“Tiffany By Design”**, September 25th—January 8th, Wichita Art Museum. Traveling exhibit, featuring some 40 Tiffany pieces, organized

by the Neustadt Museum of Tiffany Art.
